| Luminous flux                 | 3330 lm        |
|-------------------------------|----------------|
| Luminaire efficiency          | 119 lm/W       |
| CRI                           | > 80           |
| Correlated colour temperature | 3000 K         |
| Rated power                   | 28 W           |
| LED                           | Samsung LM561B |
| Dimmable                      | YES - to 1%    |
| Input current                 | 0.122 A        |
| Working voltage               | AC 220-240 V   |
| Ingress protection code       | IP20           |
| Mech. impact protection code  | -              |
| Working temperature           | -20 to +40°C   |

| Service life       | 80 000 hours at 80%<br>luminous flux |
|--------------------|--------------------------------------|
| Housing            | Aluminium                            |
| Diffuser           | Polystyrol                           |
| Installation       | Surface mounting or                  |
| Installation       | suspended on wire                    |
| Dimensions – LxWxH | 351x351x25 mm                        |
| Weight             | -                                    |
| Mark               | CE, RoHS                             |
| Origin             | EU                                   |
| Manufacturer       | Solar LED Power Ltd.                 |
|                    |                                      |
